MEMORANDUM FOR: Director of Training

SUBJECT : Establishment of a Support School in the
Office of Training

1. I have given considerable thought to our discussion of 11 January and your memorandum of 10 January 1966 concerning the establishment of a Support School in the Office of Training. The proposal appears soundly conceived and I share your view that it ought to prove a desirable and feasible move.

2. Since, as your memorandum indicates, the establishment of a Support School would require no present increase in OTR funds, ceiling, or staffing complement, I see no impediment to your moving ahead immediately to formalize the proposal and submit it for approval under the provisions of [REDACTED]. If I or members of my Staff can assist you in any way with respect to the formal proposal, please let me know.
